Honey night – first perfume with Slovenian honey

President of Slovenian Beekeepers' Association Mr Boštjan Noč decided to launch the **first perfume with a scent of Slovenian honey for women**. The perfume with a gentle smell of flowers and warm summer evenings and honey is being produced in France, therefore combining Slovenian rich beekeeping tradition and French technique of perfume producing. "Honey night" is just the first innovative product in President's innovative products line.

Beekeepers from the US exploring Slovenia

Another amazing tour beyond expectations! Beekeepers from the US enjoyed their beekeeping tour and learned about excellent apiculture in Slovenia. Meetings with local beekeepers, authentic villages, delicious food and friendly people, along with reliable guide, comfortable accommodation and comprehensive services ... made another unforgettable tour.
