

EXPERIENCE SLOVENIA IN 3 DAYS

Slovenia lies in the center of Europe, where the Alps meet the Mediterranean area and the Karst changes into sumptuous forests. You will be captivated by the blue Adriatic Sea and the mysterious Karst with its subterranean caves. The beautiful world of the mountains, nature parks, ravines, plateaus and crystal clean waters that pour in picturesque lakes will amaze you.

DAY 01: Ljubljana (sightseeing) – Bled (Visit to a beekeeper, sightseeing of Lake Bled)

In the morning guided tour (scheduled at 10.00/ 11.00) of Ljubljana – the capital of Slovenia. This town of lively cultural events stretched out below Ljubljana Castle boasts various theatres, museums, galleries, an opera house, and one of the oldest philharmonic societies in the world. Enjoy a walk through the old town centre, across Plečnik's well-known Triple Bridge, down to the cathedral, past Francesco Robba's fountain, and the town hall. Afternoon drive to Lake Bled - one of Europe's most beautiful Alpine resorts in Europe. Visit to a beekeeper and introduction to the mysterious life of bees. An experienced beekeeper will introduce you to his apiary, beekeeping and the importance of bees and bee products, a visit to the beehive with plantation of nectar producing plants, a presentation of an escaped swarm (short multivision incl.) and a tasting of honey products. Drive to hotel in Ljubljana and overnight.

DAY 02: Postojna Cave & Predjama Castle – Karst region (wine tasting)

After breakfast drive to Postojna Cave, the largest cave is the "classic karst" and the most visited show cave in Europe with 20 kilometers of passages, galleries and chambers. Ride with electrical train through the marvelous underground world. Next stop is at nearby Predjama castle with dramatic setting in the gaping mouth of a cavern halfway up a cliff. Drive to Karst region, a picturesque Karst region covered by olive trees and vineyards. Visit one of the wine producers in this area with tasting of some excellent wines. Drive to a typical tourist farm and overnight.

DAY 03: Secovlje salt pans (OPTIONAL: fish farm) – Piran – Ljubljana

Morning tour to the Secovlje salt pans and its open-air museum of salt making. The Secovlje salt works are the only remaining salt works where sea salt is still harvested by using a traditional method, used in the 14th century. (OPTIONAL- SUPPLEMENT: visit to the fish farm and boat ride to Secovlje salt pans). Drive to beautiful coastal city Piran, the best-preserved cultural monument of Slovenian Istria that maintained its medieval structure, narrow winding streets; houses huddled close together, numerous squares and churches and the contact with the sea. Continue to Ljubljana. End of the tour.
